### Games & Activities

1. **Hula Hoop Pass** make one big circle, have everyone hold hands, put the hoop between them, play a fast song, the hoop must be passed around the circle without breaking the hands. When the music stops, whoever has the hoop around is out. This continues until there is only one person left.
2. **Hula Hoop Spin** a simple game where all of the contestants start a hula hoop spinning around their waist/body. Once the first person drops it, the music stops and everyone is allowed to reset and start a new round. The rounds continue until there is a winner.
3. **Scavenger Hunt** You can have as many people as you like play this game. Have the players come to the dance floor with a chair. Everyone must sit. The MC calls something out like a "MasterCard". The players run to find one. While they are gone, we remove one chair. The person who comes back and doesn't have a seat is out. This can be done quickly by calling another item while people are still out and removing another chair. We can also create a list of items for them to find while they are out and the first team back with all of the items wins.
4. **Balloon Stomp** is a very high energy game. Everybody gets a balloon attached to a string that is tied to their ankle. The object is to pop everyone else's balloon while protecting yours. Players must stay within arranged areas. You can spice this up by adding a freeze portion. When the music stops, all must stop.
5. **Balloon Pass** is fast and fun game, you make two or three lines of ten people each. The first person in line passes a balloon over their head to the person behind them, who in turn passes the balloon between their legs to the person behind them, who passes the balloon over their head and so on. When the balloon gets to the end of the line, that person runs to the front of the line and starts all over. The line that gets the starting person all the way to the back wins!
6. **Balloon Pop** is four people per team, two poppers and two blowers. The object is simple, two people blow up the balloons and two people pop them. But they must be popped by holding the balloon between the two people and not using the hands.
7. **Balloon Stuff** you need teams of three or four. 1 person is the "stuffy" and the others are the "stuffers". The "stuffy" puts on an oversized t-shirt, the "stuffers" are given balloons. The object is for the "stuffers" to blow up balloons and stuff them under the t-shirt of the "stuffy". The team with the most balloons under the shirt in a given time wins! Time allotted game.

8. **Marshmallow Run** is a team game. Each person has a straw, they need to suck up 1 marshmallow and carry it across the dance floor and put it into a glass and run back and slap the hand of the next person in line. 1st team to get one marshmallow for each player wins. Works great with 8 -10 players.
9. **Long Balloon Pass** has everyone get into a circle. Use a long balloon and have guests pass it around the circle between their legs and not using their hands. When the music stops, who ever is touching or holding the balloon is out.
10. **Pass and Guess** is a good game for the dinner hour. A jar is filled with Jelly Beans and is passed around the table. Each person must write on a piece of paper their guess and their name. They then hand it to the DJ. The person who gets the closest wins the jar and beans!
11. **Human Ring Toss** is high energy game can be done many times to get everyone involved. It takes 6 teams of two, one person wears a hat with a point on it and is the catcher, and the other is the tosser. It is a simple game; the first team to catch 4 rings wins! Can also be performed using hula hoops.
12. **Limbo** all we need for this is two people to hold the limbo stick while the rest line up to go under it. It always seems to be a crowd pleaser and you can have a girl and guy winner. You may also do this as a couple or team event with more than one going under at the same time.

One side is designated Coke and the other is Pepsi. If the MC announces "coke", all players on the Coke side of the floor have to run across to their partner on the Pepsi side and sit on their knee (and vice versa for "pepsi"). (last person reaching called side will be out). If the MC announces "Dr. Pepper", players commence to switch sides and names (Coke players are now Pepsi and visa versa.
